

Quotation Checklist

Puddle Flange Quotation Checklist

Use this format to share project details for accurate quotation

Please fill or share the following details on WhatsApp or email. Accurate material, pipe size, quantity and drawing details help reduce revision and quotation delay.

Customer / Project Details

Required Information	Customer Input
Company / Contractor name	_____
Contact person and mobile	_____
Project name / location	_____
Application	RCC tank / sump / STP / ETP / WTP / basement / other: _____
Delivery location	_____
Required delivery date	_____

Product Details

Required Information	Customer Input
Puddle flange material	PVC / UPVC / CPVC / GI / MS / Other: _____
Pipe size / pipe OD / NB size	_____
Puddle plate OD	_____
Pipe length	_____
Wall / slab thickness	_____
Plate thickness	_____
Coating / galvanizing / painting requirement	_____
Coarse aggregate moulding required?	Yes / No / As per drawing
Quantity	_____

Drawing / BOQ and Documentation

Document / Detail	Status / Notes
BOQ / tender item available?	Yes / No
Approved drawing available?	Yes / No
Sample photo available?	Yes / No
Inspection / test format required?	Yes / No
Invoice / GST details required?	Yes / No
Before dispatch photo required?	Yes / No

Document / Detail	Status / Notes
Any special packing or transport instruction?	_____

Quick Material Guide for Enquiry

Material	Common enquiry context
PVC / UPVC / CPVC	Plastic pipe systems, tanks, sumps, plumbing and water treatment applications as per BOQ
GI / MS	Metal pipe systems, industrial / fire / MEP projects where project specification requires metal fabrication
Custom	Centre plate, offset, floor punching, plenum, end cap or special BOQ / drawing requirement

How to Send Enquiry

- WhatsApp: +91 8667 408 543
- Email: floortechbalaji1960@gmail.com
- Attach BOQ / drawing / sample photo where available.
- Mention quantity and delivery location for faster quotation.

Quotation Note

Final price depends on material, pipe size, puddle plate OD, pipe length, wall / slab thickness, plate thickness, coating, quantity and delivery location. Manufacturing will follow confirmed order, BOQ and approved drawing.

Send this checklist with BOQ / drawing on WhatsApp +91 8667 408 543
